CAPC Designation

CAPC Designation status is available in Pain Management, Communication Skills, Symptom Management, and Dementia Care. You must complete all courses in a unit to qualify. Upon completion, you will be issued the CAPC Designation Certificate.

Continuing Education Designation

Physicians: Icahn School of Medicine at Mount Sinai designates this enduring material with *AMA PRA Category 1 Credit(s)™* as specified. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CAPC is pleased to offer ABIM Maintenance of Certification (MOC) points for certain online courses as indicated. Additional information, such as a physician's ABIM number, date of birth, and a completed survey, are required in order to receive MOC points.

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts credit from organizations accredited by the ACCME. Icahn School of Medicine at Mount Sinai designates this enduring material with *AMA PRA Category 1 Credit(s)™* as specified, which can be applied to the continuing education of Physician Assistants. Physician Assistants should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: CAPC is an approved provider of continuing nursing education by the Pennsylvania State Nurses Association Approver Unit and the New Jersey State Nurses Association Approver Unit, both accredited approvers by the American Nurses Credentialing Center's Commission on Accreditation, to provide ANCC contact hours

Social Workers: This program is approved by the National Association of Social Workers (NASW) for continuing education contact hours.

New York State Social Workers: This program is approved by the New York State Education Department's State Board for Social Work to provide continuing education to LMSWs and LCSWs in New York State, effective September 21, 2016, as indicated.

Case Managers: This program is approved by The Commission for Case Manager Certification to provide continuing education credit to CCM® board certified case managers.

Licensed Professional Counselors: Center to Advance Palliative Care is approved by the Montana State Board of Behavioral Health and the National Board for Certified Counselors (NBCC) as an Approved Continuing Education Provider, ACEP No. 6776. Programs that do not qualify for NBCC credit are clearly identified. CAPC is solely responsible for all aspects of the programs.

Verification of Attendance: If either the user or the course is ineligible for continuing education, a Verification of Attendance certificate will be provided upon completion of the course.
