Advance Care Planning

This Learning Pathway includes training in advance care planning (ACP) best practices, and information on how to bill for ACP conversations.

For additional information and training, please visit Respecting Choices.

Leading Goals of Care Conversations

Learn best practices for building trust, eliciting patient values, and having patient-centered conversations about goals of care.

Care Planning Conversations

Learn techniques to help patients and their caregivers plan for the future, both during the early stages of a serious illness and as a disease progresses.

Safe and Age-Friendly Care for Older Adults

This course provides context and best practices for identifying older adults at risk for poor outcomes, including falls, delirium, and caregiving challenges.

Coordinating Care and Planning Ahead

Guidance for all clinicians on improving communication and ensuring smooth transitions of care for patients living with serious illness.

Billing and Coding for Advance Care Planning (ACP) Services

Requirements, best practices, documentation requirements, and time thresholds for Advance Care Planning (ACP) services.

Prolonged Services Billing

Deep dive on prolonged services billing in all care settings.
