

# Advance Care Planning

---

This Learning Pathway includes training in advance care planning (ACP) best practices, and information on how to bill for ACP conversations.

## Care Planning

Learn techniques to help patients and their caregivers plan for the future, both during the early stages of a serious illness and as a disease progresses.

### Basic Advance Care Planning: Introduce and Motivate

Identify the role of physicians and advanced practitioners in introducing patients to ACP.

### Basic Advance Care Planning: Guide and Document

Build physicians' and advanced practitioners' skills in guiding and documenting ACP conversations.

### Beyond the Conversation: Integrating Basic Advance Care Planning into Practice

Ways for physicians and advanced practitioners to integrate and bill for ACP in their practice.

### Billing and Coding for Advance Care Planning (ACP) Services

Requirements, best practices, documentation requirements, and time thresholds for Advance Care Planning (ACP) services. Center to Advance Palliative Care, January 2024.

### Prolonged Services Billing (2024 Update)

Deep dive on prolonged services billing in all care settings. January 2024

### Reducing Risks for Older Adults

This course provides context and best practices for identifying older adults at risk for poor outcomes, including falls, delirium, and caregiving challenges.
