

# Advance Care Planning

---

This learning pathway includes training in advance care planning (ACP) best practices, and information on how to bill for ACP conversations.

## **Advance Care Planning Conversations**

How to initiate and conduct conversations about advance care planning.

## **Basic Advance Care Planning: Introduce and Motivate**

Identify the role of physicians and advanced practitioners in introducing patients to ACP.

## **Basic Advance Care Planning: Guide and Document**

Build physicians' and advanced practitioners' skills in guiding and documenting ACP conversations.

## **Beyond the Conversation: Integrating Basic Advance Care Planning into Practice**

Ways for physicians and advanced practitioners to integrate and bill for ACP in their practice.

## **Billing and Coding for Advance Care Planning (ACP) Services**

Requirements, best practices, documentation requirements, and time thresholds for Advance Care Planning (ACP) services. Center to Advance Palliative Care, 2018.

## **Prolonged Services Billing With Face-to-Face Patient Contact**

Billing for prolonged services with direct face-to-face contact. Center to Advance Palliative Care, 2018.
