

# Advance Care Planning

---

This Learning Pathway includes training in advance care planning (ACP) best practices, and information on how to bill for ACP conversations.

For additional information and training, please visit [Respecting Choices](#).

## Care Planning

Learn techniques to help patients and their caregivers plan for the future, both during the early stages of a serious illness and as a disease progresses.

## Clarifying Patient Goals of Care

Learn best practices for building trust, eliciting patient values, and having patient-centered conversations about goals of care.

## Reducing Risks for Older Adults

This course provides context and best practices for identifying older adults at risk for poor outcomes, including falls, delirium, and caregiving challenges.

## Billing and Coding for Advance Care Planning (ACP) Services

Requirements, best practices, documentation requirements, and time thresholds for Advance Care Planning (ACP) services.

## Prolonged Services Billing

Deep dive on prolonged services billing in all care settings.
