Advance Care Planning

This learning pathway includes training in advance care planning (ACP) best practices, and information on how to bill for ACP conversations.

**Advance Care Planning Conversations**
How to initiate and conduct conversations about advance care planning.

**Basic Advance Care Planning: Introduce and Motivate**
Identify the role of physicians and advanced practitioners in introducing patients to ACP.

**Basic Advance Care Planning: Guide and Document**
Build physicians’ and advanced practitioners’ skills in guiding and documenting ACP conversations.

**Beyond the Conversation: Integrating Basic Advance Care Planning into Practice**
Ways for physicians and advanced practitioners to integrate and bill for ACP in their practice.

**Billing and Coding for Advance Care Planning (ACP) Services**
Requirements, best practices, documentation requirements, and time thresholds for Advance Care Planning (ACP) services. Center to Advance Palliative Care, 2018.

**Prolonged Services Billing With Face-to-Face Patient Contact**
 Billing for prolonged services with direct face-to-face contact. Center to Advance Palliative Care, 2018.

**Reducing Risks for Older Adults**
This course provides context and best practices for identifying older adults at risk for poor outcomes, including falls, delirium, and caregiving challenges.
